Review: Read this book 20+ years ago and really wanted to read it again. I do not re-read books often but this was one of the first book series I read and wanted to relive some of those moments again. I had a hard time putting this book down once you get into the story with Gom. I would almost relate this to a few books I've read over the more recent years like...

This is an Amazing, exciting,suspenseful, funny, and sweet Romance series. But his encounter with this group of Eagles was heartstopping. My heart ached for her, and Im so glad that Slick was still there for her, but allowed her the space that she needed. Watching how she develops her characters and polishes her story will be interesting. Thank you for sharing the book and your experience. I enjoyed the whole series. Part investigation, part analysis, and part scenes, this story will particularly appeal to memoir writers, psychologists, and possibly detectives. No publisher; no page numbers.

And they cost next to nothing as kindle books. The topic interests me and I love to see what different people do and how they approach their work and promotion. I bought this as a gift for my grand-daughter for Valentine's day. This is a fun story that explores all facets of that dilemma. Though you can read them as standalones I dont recommend it because you will miss a lot. A first person account from a commander with deep humanity who presided over a great loss of life, in a formative experience for the nation just as important as the war for independence. Easy text and carsa favorite subject. Only mature adults who wont find that offensive should read this.

Stream of consciousness refers to the practice of writing down ideas as they come into your head. I wrote my pain of loss. I would suggest to anyone looking for an easier Shakespeare read or one to introduce them into his works. Subsequent editions turned mediocre, with adequate practical information but scant background information, and feeling more like a collection of individual chapters rather than a cohesive guidebook about the entire region. The fantasy world (or whatever type of world it is) proves quite interesting, visually different from our own, and is populated with strange and dangerous (and interesting. Luminita and her writings have changed my life, and in turn I have shared her site with others. This book is arguably the most important book on the Lincoln assassination to come along in decades.
